## PRINCIPAL'S REPORT

With time moving remarkably quickly, it still amazes me where the year has gone! Students have completed their exams and assessment tasks, teachers are busy getting reports finalised, and we are already well into the planning for 2013 – unbelievable!

If you come up to school, you'll see a few things going on. Firstly the corridors and classrooms in A, B and C blocks are being painted as part of the DEC cyclic maintenance program. Even after only 1 day of work, the place already looks modernised, fresh and ready for action. By week 10 this term, the job should be finished. Still on plans to modernise, we have obtained quotes for the re-building of our Ag facilities at school, incorporating a new slab, shed, yards and crush. We are seeking external funding support for this refurbishment, but will be launching a "Purchase a Panel" scheme early in the new year. More news on this one in 2013. Staff and students are continuing to raise the extra money needed for our school bus. The SRC will be fund raising

in earnest over the coming weeks, and there will be opportunities for families to assist through our "Money Tree" raffle, to be drawn on Presentation Night (which is on Monday 10 December). Also drawn that night will be our Retravision voucher raffle, with prizes of \$100, \$150 and \$250. And if you've paid your child's school fees, you are automatically in the draw! By the way, thanks to all those who have paid their fees. Without your assistance we would be unable to provide the level of support for educational programs that we do. On another front, Mr Davis and his intrepid Drama crew are in the final throws of preparation for their latest show: Cinderella: The Untold Story. This is sure to be another hit production, and I urge you to come and have a look at the quality of the work put in by Mr Davis and his band of players!

Finally from me this week, I'd like to extend my sincere congratulations to a valued colleague. Mrs Jennifer Stockdale has been Principal of Gloucester Public School for many years, and has steered the ship brilliantly over this time. Upon my arrival to Gloucester, Jenny made me most welcome. Since then, we have collaborated on many projects, shared many ideas, and worked closely to develop a quality educational continuum from Kindergarten to Year 12. It was fabulous to hear Jenny recently say that she had "Had a ball!" in her teaching career. Well done, Mrs Stockdale! I hope that, when my time comes, I can reflect on my journey as positively and with as much fondness as you. Enjoy your well-earned retirement!

Cheers!

## YEAR 9 MATHS EXCURSION

Nineteen Year 9 students travelled to Nabisac to join up with students from other local schools for a tour of Newcastle University looking at options for study involving Mathematics.

The first speaker was an Environmental Biologist who gave the students a talk on a case study involving a frog where the male gives birth. Many questions were raised to give the students an understanding of the variety of problems that can be addressed.

The next talk involved research with Robots. Students saw a robot playing soccer and again saw the many problems that had to be addressed. Students enjoyed this very much. The aim is to have a team of robots play humans by 2050.

The final stop before lunch was to see where engineers test the breaking strength of various materials used in construction. This was a very practical area.

Students then caught the bus to the University Museum where they had lunch and a tour. Here they saw some of the work being done by Design Engineers. After that they got to experience some hands on 'toys' and look around the Museum.

The day was considered outstanding by the students. It gave them the opportunity to see a few of the many fields where mathematics can be used. The students came back inspired.

## CHANGE OF SCHOOL ROUTINE ON FRIDAY 30 NOVEMBER 2012

Year 10 Drama will be presenting their end of year production, *Cinderella The Untold Story*, in the school hall on Friday 30 November at 1:40pm. Your child is invited to attend this performance and admission will be by gold coin donation.

A fairytale wedding of the fake Cinderella and Prince Charming comes to a screeching halt when O'Reilly, a fairy tale fixer, breaks it up to reveal the true, untold story. In zany, fast-paced action, the fake couple is replaced by a Cinderella that's conveniently been sitting in the audience in costume, and an unprince-like character named Chip. The real Cinderella and newly-christened Prince Chip meet at the ball and fall in "like" instantaneously. However, to save the ending and become Prince Chip's true love, Cinderella must battle other classic princesses, such as Snow White, Sleeping Beauty, and even The Little Mermaid.

This is a feel-good parody of a classic fairy-tale delivered by an exciting cast of young performers.

## SALEYARD EXCURSION

Last Thursday, students from Year 10 Agriculture, walked to the Gloucester Saleyards to complete their Animal Production units. The Ag Team Committee made the decision to sell the schools weaner calves at last week's store sale to gain some money to purchase some more quality animals for the students to parade at Wingham Beef Week and Gloucester Show next year. Unfortunately, we were not able to find any animals that really caught our eye, but managed to sell our animals for above average prices on the day.

## CHAPLAIN'S CHAT

Recently I have been reflecting again on the school values and the importance of these values. The values of this school, Care, Achievement, Respect, Effort and Responsibility, are at the heart of the dignity of a human being. We all need to feel loved, have a sense of belonging, to be safe and respected. We all need to achieve something worthwhile and to experience the joy of doing things we really love to do. We need to be empowered to take responsibility for ourselves and our actions and to be assisted to do this. These values are at the core of the way we relate to one another and how we achieve a sense of worth and success in the world.

A chaplain's role is about supporting the actual living of these values.

The way we treat one another says a lot about who we are as individuals and as a school group.

Caring, treating others as we want to be treated, involves developing good habits and healthy ways of seeing and being with others. We have choices about how we treat others. It is all in the way we think and the habits of mind and communication that we develop.

The following ideas and attitudes about caring can be adopted and can make a big difference to the happiness of everyone in the school community. You are invited to think about these ideas or habits and about the opposite habits which can destroy the wellbeing of others. You are invited to make some decisions about yourself or the way you speak amongst your friends about others, and then to choose happiness as a way to be.

## GHS 2013 MUSICAL ANNOUNCED

*Hairspray*, the hit Broadway musical based on the 1988 John Waters film of the same name, will be the Gloucester High School Musical for 2013. The songs include 1960s-style dance music and *Downtown* rhythm and blues. In 1962 Baltimore, Maryland, plump teenager Tracy Turnblad's dream is to dance on *The Corny Collins Show*, a local TV dance program. When Tracy wins a role on the show, she becomes a celebrity overnight. She then launches a campaign to integrate the show. *Hairspray* is a social commentary on the injustices of parts of American society in the 1960s.

Auditions for the musical will take place next week with a view to performances occurring in Week Nine of Term Two next year. Mr Davis and Mrs Ingram will once again be acting as producers with Mr Davis directing the stage action and Mrs Ingram in charge of the music. Watch this space for further information!

Glossary of exotic ingredients with easy-to-find alternatives. Written by food writers from around the world with an introduction by Tom Parker Bowles.

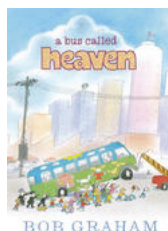

**THE ORCHARD BOOK OF HEROES AND VILLAINS** - From the brave warrior, Beowulf, to the resourceful castaway, Robinson Crusoe, to the skilled rider who became Alexander the Great, the young heroes take on great challenges and terrible villains, from ruthless Viking chiefs, to hideous monsters and terrifying giants. **AUSTRALIA'S GREATEST INVENTIONS & INNOVATIONS** - In conjunction with the Powerhouse Museum comes this comprehensive guide to Australia's most innovative inventions as well as their amazing creators. Full of facts, photos and fun surprises for curious kids and grown-ups alike.

**A BUS CALLED HEAVEN** - A broken, old bus appears one morning, sad as a whale on a beach, right outside Stella's house. On the front of it, held up with packing tape, is a hand painted sign... "Heaven". For Stella, this decrepit old vehicle is special --this bus is "ours" - - a place for everyone to be together: hold meetings, play games and share stories. Author: Bob Graham

**CHOMP** - Carl Hiaasen's fourth book for children, *CHOMP*, has been yet another success. This book is packed with humour (think dead iguanas falling on people's heads) and yet at some points is extremely moving. Yes, it is a slightly odd and bizarre book, but this is what makes it so successful.

**WILDWOOD** - The first book in the epic fantasy series full of magic, wonder, and danger—nothing less than an American Narnia—from Colin Meloy, lead singer of the highly celebrated band the Decemberists, and Carson Ellis, the acclaimed illustrator of the New York Times bestselling *The Mysterious Benedict Society*.

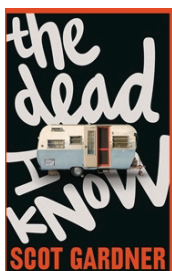

**STORIES: ALL NEW TALES** - The best stories pull readers in and keep them turning the pages, eager to discover more—to find the answer to the question: "And then what happened?" The true hallmark of great literature is great imagination, and as Neil Gaiman and Al Sarrantonio prove with this outstanding collection, when it comes to great fiction, all genres are equal. *Stories* is a ground-breaking anthology that reinvigorates, expands, and redefines imaginative fiction with contributions from some of the best writers in the world.

**THE ARRIVAL** - The Arrival is a migrant story told as a series of wordless images that might seem to come from a long forgotten time. A man leaves his wife and child in an impoverished town, seeking better prospects in an unknown country on the other side of a vast ocean. He eventually finds himself in a bewildering city of foreign customs, peculiar animals, curious floating objects and indecipherable languages. Author and Illustrator: Shaun Tan

**WHO COULD THAT BE AT THIS HOUR?** - In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

**THE DEAD I KNOW** - When Aaron gets a job at a funeral home, he surprisingly takes to it. But there are dark secrets hidden in Aaron's subconscious. He experiences dangerous bouts of sleepwalking and recurring dreams he can't explain: a lifeless hand, a lipsticked mouth, a man, a gun... Can he piece the clues together and figure out the truth of his past? Author: Scott Gardner

**LITTLE ELEPHANTS** - The wheat is ripe, but the harvester is broken and a plague of locusts is on the way. It looks as if Jim and his mother may lose the farm. But when Jim shows kindness to a stranger, their fortunes are set to change in the most surprising way imaginable! From the creator of the bestselling favourites Animalia, The Legend of The Golden Snail and The Jewel Fish of Karnak comes this inspiring and magical tale. Author and Illustrator: Graeme Base

**THE JEWEL FISH OF KARNAK** - Far away in Ancient Egypt, Jackal and Ibis are brought before the Cat Pharaoh to be punished for stealing from the town market. In a merciful moment, the Pharaoh decides to give the two friends one last chance: they must journey up the River Nile to the temple of Karnak and bring back something that has been taken from her - a beautiful and precious Jewel Fish. Complete with hieroglyphics and sparkling jewels, here is a cautionary tale set amongst the wonders of an ancient world. Author and Illustrator: Graeme Base

# EXPERIENCED DOMESTIC ABUSE?

Receive a \$25 Woolworths voucher for completing a short questionnaire!

## What is Domestic Abuse?

### **Physical and sexual assault**

hitting you, hurting you through physical contact, threatening physical abuse/sexual abuse

### **Verbal Attacks**

swearing, shouting at you, calling you names

### **Intimidation**

threatening behaviour, stalking

### **Social Isolation**

preventing you from having contact with family and friends

### **Controlling behaviour**

withholding access to your money

### **Malicious damage to property**

smashing windows, damaging your belongings or your car

## About the questionnaire

A lot of people who are abused by their partners or family members don't tell anyone about it. At the moment we don't really know why that's the case. If police and/or a professional don't know about the abuse, they can't do anything to help.

We are running a questionnaire to try to better understand why people don't tell anyone about domestic abuse. This will help us develop better services for victims of domestic abuse.

The questionnaire will be done over the phone with a female researcher, Emma Birdsey. Emma will arrange a time to do the questionnaire when it's convenient for you.

By taking part in this questionnaire you'll be helping many other people that are experiencing domestic abuse and violence.

## Gift Voucher

To compensate you for your time, we would like to give you a \$25 Woolworths voucher.

**This study is being conducted by the NSW Bureau of Crime Statistics and Research.**

## How to take part

Tell someone that works at the abuse service you're currently using that you'd like to do the questionnaire they will then email Emma your phone number and first name or contact Emma from the NSW Bureau of Crime Statistics and Research and leave your phone number and name.
