## PAST THE SHALLOWS EXCURSION

On Wednesday, students from Year 9, 10 & 11 Drama and Year 11 English attended a performance of 'Past the Shallows' at the *Australian Theatre for Young Peoples'* new *Rebel Theatre* in Sydney.

This was followed by lunch and a workshop in the green room where all students participated in drama activities exploring text.

This excursion was made possible through a grant from the Australian Theatre for Young People to cover costs of the performance, bus travel and lunch. This was an amazing opportunity for our students from the country to see some fantastic Australian work on stage.

## Care Achievement Respect Effort Responsibility

[www.gloucester-h.schools.nsw.edu.au](http://www.gloucester-h.schools.nsw.edu.au) / [gloucester-h.school@det.nsw.edu.au](mailto:gloucester-h.school@det.nsw.edu.au)

# PRINCIPAL'S REPORT

## HSC exams

Welcome back to Term 4. The HSC is underway and progressing well. The feedback from students in relation to the examination papers has been quite positive. The HSC concludes 4 November, but for our students their last exam is PDHPE on 2 November 2022. We still have a few more weeks of exams left.

## Staffing

Since last term we have had a few staffing changes. Mrs Deb Hogan and Mr Anthony Banovic have relinquished their positions. Until next year, Ms Myree Ribbons has been allocated some English classes, with the other English classes being taken by teachers who were teaching Year 12. Mr Ross Pickett is temporarily replacing Mr Banovic's classes. Ms Kerrie Davison (School Counsellor) has accepted a position at Tuncurry Campus commencing next year. Ms Alesha Woods (school psychologist) will replace Kerrie commencing in 2023.

I am pleased to advise that Ms Tess Nolan will be Girls Adviser for 2023 and Mrs Toni Stanton will be Year 7 Adviser for 2024. Congratulations to Tess and Toni.

## School upgrades

The school foyer and front of school upgrade, ramp construction and improved security has been completed. There are still some enhancements such as signage, landscaping, and foyer fit outs to be made. This has greatly improved the school entrance and access to the hall.

## Environmental improvements

The Technology and Applied Studies (TAS) faculty have undertaken extensive work in the school Ag gardens, paddocks, planting of native shrubs, installing native beehives and installing nesting boxes for birds. This has been a large improvement in the school environment and students have been integral in the planning, constructing and management of the projects.

## Electronic learning boards

New electronic learning boards will be installed in most classrooms over the next few weeks. This will enhance student engagement and support delivery of lessons. We are offering some of our old panels to community groups that may be able to put them to good use. These panels will need to connect to a PC or Mac (not provided) to display on screen. Also to be aware that they are very heavy. Please contact the school if you are interested.

## Good luck Nathan!

On a final note... Gloucester High School wishes Nathan Paff every success in the World Skate Games – World Championships 2022 in Argentina. Nathan is Australia's representative in the International Slalom Skateboarding section of the competition.

Mrs Trudi Edman, Principal

## PARENTS HAVE YOUR SAY!

We really value the contributions that our parents make to our school and would like to invite all parents to complete the Tell them from Me Parent Survey by following the link on:

<http://nsw.tellthemfromme.com/3f78k>

Our aim is to get your view on our school's strengths and areas for improvement to help make Gloucester High School the best place to support your child's learning and development.

The survey takes approximately 15 minutes, is completed online on smartphones, iPads, tablets, laptops or computers and is confidential.

As a valued member of the school community thank you for taking the time to share your views.

## LAST DAY OF TERM 4 IS FRIDAY 16 DECEMBER 2022

As we near the end of the year, we want to thank you for your ongoing support and notify you of a date change for the last day of Term 4 classes.

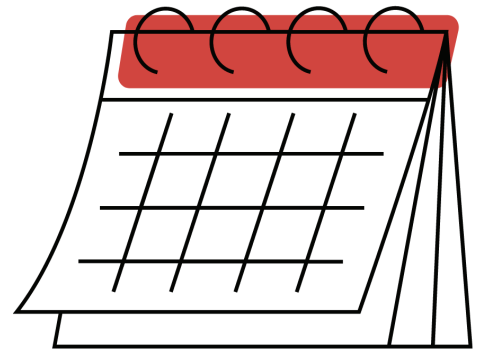

Students will now finish school on Friday 16 December 2022.

This is due to an additional School Development Day announced for staff across NSW public schools.

School Development Days allow our staff to participate in professional learning that was put on hold due to COVID-19 staffing pressures and plan ahead for 2023 to ensure we meet the needs of our students.

With this change, we ask that you arrange alternative care for your child on Monday 19 December.

If you have any questions or concerns, please contact the school on 6558 1605.

## CAN YOU HELP?

We are hoping to run a **Multicultural Day** on Thursday 8 December.

The day would involve community members coming into the school and working with staff to show students aspects of their culture. If you have links to a different culture and would be happy to pass on some of your cultural knowledge to our students, please contact the school to contribute.

The aim of the day is for students to experience different cultures and feel a connection of belonging to the school while being supported by the wider school community.

## BAKER SHIELD CRICKET

After many false starts with wet weather in Term 1 and in late Term 3, the Baker Shield was finally played last week.

After receiving a forfeit from Tuncurry, Gloucester waited to play the winner of Dungog and Forster.

Forster were victorious and after winning the toss elected to bat. An early wicket to Albie Cameron saw Gloucester off to a great start. Forster were then able to steady and a great 2nd wicket stand saw them in a commanding position at drinks. This continued after drinks with some indifferent fielding not helping Gloucester's cause. Forster ending up with 5/120 from their 20 overs.

Andrew Fraser bowled well to finish with 3-10 off his 4 overs.

Gloucester's run chase started nervously with Nick Maggs out early. A steady stream of wickets followed with Gloucester all out for 53 in reply. Andrew Fraser (14) and Travis Allardice (7) were the best of the batsmen.

**Baker Shield Cricket team 2022**

## BIRDS IN OUR NESTING LOGS

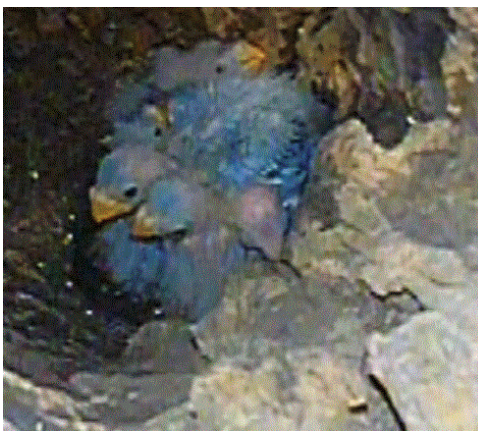

Look at these Eastern Rosella chicks snuggling in one of our nesting hollows!

We also have a pair of Scaly-Breasted Lorikeets nesting in another hollow however no eggs there yet...

Here are links to some videos, taken with our camera on a pole purchased last year through a grant from Hunter Local Land Services:

[Eastern Rosella chicks](#)

[Scaly-breasted Lorikeets](#)

**Eastern Rosella Chicks**

**Scaly-Breasted Lorikeets**

### MAKE SURE YOUR CONTACT DETAILS ARE UP-TO-DATE

- Parents/carers, if you have changed any details e.g. your address, mobile phone, home phone, email address or emergency contacts, please make sure you let the school office know or enter your request for change on the Parent Portal, so we are able to keep an accurate record.
- It is important for us and your children that we are able to contact you in case of an emergency.

# School Travel

## Term 4 2022

### 2023 school travel applications are now open

Applications for student travel in 2023 open from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2023.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

### Travel from Term 1 2023

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2023 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at [transportnsw.info/travel-info/using-public-transport/school-travel](https://transportnsw.info/travel-info/using-public-transport/school-travel)

Enquiries can be submitted at [transportnsw.info/contact-us/feedback/passes-concessions-feedback](https://transportnsw.info/contact-us/feedback/passes-concessions-feedback)

# Rural and regional school travel

Apply online for free school travel in rural and regional NSW. You only need to complete one form, even for journeys using more than one operator.

## Who can apply?

To be eligible for free school travel, students may need to live a minimum distance from their school:

### Years K-2 (Infants)

There is no minimum distance.

### Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

### Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

## Who needs to apply

You only need to apply if the student has never been approved for free school travel before. Students in a shared parental responsibility situation (e.g. joint custody) should submit a separate application for both addresses.

## How to update your details

You need to update student details online if the student is changing their name, address, school or campus, or their Transport operator. You can update them at [transportnsw.info/ssts-update](https://transportnsw.info/ssts-update)

## Frequently asked questions

### Does the approved free travel include travel outside school hours?

Approved free school travel is only for travel to and from school. So for travel after hours, on weekends or during school holidays, students will need to buy a ticket.

### What if there's no public transport in my area?

In areas where there is no public transport, you may be able to get a subsidy for driving the student to school. For details, visit [transportnsw.info/school-students](https://transportnsw.info/school-students)

### How do I apply if the student needs to travel from two addresses because the parents live separately?

Each parent (or the student if aged 16 or over) needs to apply separately for each address. The same minimum distances apply.

## How to apply for free travel for the first time

You can apply for free school travel for next year from the start of Term 4 this year.

### Step 1

Once you have enrolled your child at the new school, apply online by giving your home address and telling us which bus company the student needs to travel with between home and school. You can apply online at [transportnsw.info/school-students](https://transportnsw.info/school-students)

### Step 2

The school then confirms to us that your details are correct.

### Step 3

We will then work on your application. You will get an email confirming if the student is approved for free travel. If so, we will tell your local bus company who may send a school travel pass (if needed) to your school or, in some cases, the bus company will contact you directly about travel arrangements.

A parent or guardian must apply for students aged 15 years and under. Students who are 16 years and over must apply for themselves.

## What my card will look like

## Want to know more?

For more information, visit [transportnsw.info/school-students](https://transportnsw.info/school-students)

For help in your language, call the Translating and Interpreting Service (TIS) on 131 450.

### Privacy

For information on how we handle personal information please refer to the Opal Privacy Policy at [transportnsw.info/tickets-opal/opal-opal-privacy-policy](https://transportnsw.info/tickets-opal/opal-opal-privacy-policy) and the School Pass Terms [transportnsw.info/school-pass-terms](https://transportnsw.info/school-pass-terms)

# CAREERS NEWS

## Agskills

**U + AGSKILLS = CAREER**

**AGSKILLS** will provide a framework of learning to young people in rural areas to assist them to develop a career pathway in innovative and sustainable food production.

Mid North Coast Women in Dairy working with Hunter Local Land Services, State Training Services, TAFE NSW and local schools in the Manning Great Lakes to provide a 12 month scholarship for young men and women in Years 10 & 11.

### Scholarship Includes:

- Employability Skills training delivered by TAFE comprising workshops and on farm activities
- Work health and safety induction
- Provision of personal protective equipment
- One week (35hrs) work experience in conjunction with schools and VET training providers
- Qfever vaccinations (must be over 16)

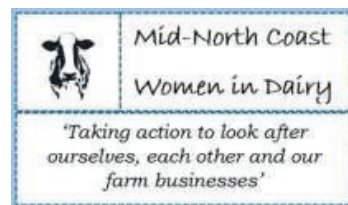

**Industries:** Aquaculture, Beef, Dairy, Horticulture, Animal Health and Nutrition, Agronomy, Genetics and Animal Breeding, Landcare and the Environment, Animal Health and Diseases.

**Eligible:** Year 10 exploring agricultural options  
Year 11 VET Primary Industries or Agriculture

Applications now open for 2023 intake; interested students can apply for an application form from either Debbie or Megan. (see below)

**Information day:** Taree TAFE, 1 Nov 2022, 4pm to 6pm, room KG11

**Contacts:** Megan Nicholson, MNC WID project officer, 0427 567347  
Debbie Polson, MNC WID project officer, 0427 532 457

## Transport for NSW

### Apprenticeships and Traineeships 2023 Regional Intake

We are excited to announce that we still have opportunities available across the state for the 2023 intake for Regional and Outer Metropolitan Apprentice and Trainee programs.

Our programs provide local employment opportunities for high school students finishing school, job seekers or people who are looking to change careers, while at the same time developing skills and knowledge from experienced leaders and completing a nationally recognised qualification. No previous experience required!

Program opportunities include Civil Construction, Business, Bridge Construction & Maintenance, Project Management and Marketing & Communication. Please view our [website](#) which contains detailed information regarding each of our programs.

### How to apply

Applying is easy!

Please visit our [Transport Jobs Board](#)

Applications close midnight Wednesday 9 November 2022.

If you have an enquiry, or would like to know more, please reach out to us at

[ROMentrylevelprograms@transport.nsw.gov.au](mailto:ROMentrylevelprograms@transport.nsw.gov.au) or visit our website for more information.

# CAREERS NEWS continued...

## Year 10 Careers Classes

### The HSC: All My Own Work (AMOW) program

This term, during Careers lessons, all students MUST complete the Mandatory NESA requirements for the “All My Own Work” Program. The HSC: All My Own Work program is designed to help Preliminary and Higher School Certificate students to follow the principles and practices of good scholarship. This includes understanding and valuing ethical practices when locating and using information as part of their HSC studies.

The HSC: All My Own Work program is integrated with other NSW syllabuses and programs. The program is designed to be delivered flexibly as self-paced learning modules.

### The program's content is divided into five modules:

1. Scholarship Principles and Practices
2. Acknowledging Sources
3. Plagiarism
4. Copyright
5. Working with others

### Each module contains:

- Information and advice on the module focus questions
- Quiz questions
- Summary
- Frequently Asked Questions (FAQs)
- Link to a glossary
- Links to relevant websites.

In a nutshell, AMOW provides students with a contemporary and relevant understanding of how to avoid plagiarism. Please note: Students are unable to be enrolled as Year 11 students until this requirement is fulfilled. All students will need to complete all 5 Module Quizzes. It is important that each Quiz Report has the students' full name on it. The quizzes can either be printed off as a hard copy, or emailed directly to: [michael.deangelis@det.nsw.edu.au](mailto:michael.deangelis@det.nsw.edu.au)

# Wellbeing - Progressive Muscle Relaxation.

When you feel stressed where do you feel that? Most people respond with, “I feel stress in my back or my shoulders or chest. As with any emotion we experience stress in our bodies and that’s why remedial massage can help reduce stress.

Progressive Muscle Relaxation (PMR) is another easy body relaxation exercise to reduce stress when you most need it. Practice relaxing and tensing your muscles with slow breathing. This exercise will go through your entire body, one section at a time. You will tense your muscles for five counts and release for 10 counts. When you have released your muscles, use soothing words in your mental self-talk, such as “relax”, “I am now relaxed and calm”, “I am calm”, or “I am relaxed”. Begin this relaxing exercise in the following sequence:

1. **Tense your forearm.** Make a fist with your right hand and tense your forearm steadily for five counts, then release for 10 counts. Repeat on your left side.
2. **Tense your upper arm.** Tense the muscles in your biceps and triceps without the use of your forearm, bringing your right forearm up to your shoulder making a muscle. Hold for a count of five. Release it and relax for a count of 10. Repeat on your left side.
3. **Tense your face.** Raise your eyebrows as high as they will go, hold for a count of 5 and release for a count of 10. Next, close your eyes and squeeze your eyes tightly holding for a count of 5 and releasing for a count of 10. Lastly, open your mouth as wide as you can as if you were going to yawn, holding for a count of 5 and releasing for a count of 10.
4. **Tense your neck.** A lot of tension is stored in your neck, sometimes leading to a stiff neck or even tension headaches. Be careful when tensing the muscles of your neck, as this is a sensitive area to stress buildup. Face forward and pull your head back slowly as if you are looking up to the ceiling. Hold this position for a count of five and release for a count of 10.
5. **Tense your shoulders.** Tense the muscles in your shoulders as you bring your shoulders up to your ears and push your shoulder blades back. Hold for five counts and release for 10 counts.
6. **Tense your chest and stomach.** Breathe in deeply. Fill your lungs and chest with as much air as possible, squeezing your hip and buttocks muscles. Hold for a count of five and relax for a count of 10.
7. **Tense your upper leg.** Tighten your right thigh. Hold for a count of five and release for 10 counts. Next, tense your lower right leg. This should be done carefully to avoid leg cramps, pulling your toes toward your calf muscles. Hold for five counts and release for 10 counts. Lastly, curl the toes of your right foot and hold for a count of five and release for a count of 10. Repeat on your left side.

Practicing this technique of tensing and relaxing helps your body recognise what it feels like to be tense and what it feels like to be relaxed. Each time that you experience a stressful moment, practice this technique. With continued practice you will be able to notice when you are stressed just by the change in the feel of your body. This will give you the power to control stress, instead of having stress control you.

You can learn more on the **Study Skills Handbook** site which also includes access to the **Study Samurai Video Lesson Library**.

[www.studyskillshandbook.com.au](http://www.studyskillshandbook.com.au)

## GARAGE SALE FOR GHS

Gloucester Environment Group (GEG) will be hosting a garage sale on Saturday 12 November with all proceeds to go towards regeneration projects at our school.

Go and grab yourself a bargain and support the school at the same time.

Thank you GEG!

## PICK UP FOR THE PLANET

MidCoast Council's Arts Culture and Environment Team are running their second Pick Up for the Planet on 22 October from 9:00am-11:00am. This event will be supported by Take 3 for the Sea.

The first Pick Up for the Planet was in Gloucester at the farmers market. Several GHS students attended along with students from Forster and Taree.

People aged 12-24 years old are invited to take part in the event.

You do not need to register, just meet at the Tuncurry Memorial Hall 9am, 22 October.

### Creative upcycling workshop

From 11:30am-1:00pm Andrew O'Sullivan will be running a 'creative upcycling workshop' at Tuncurry Memorial Hall where he will be teaching people how they can turn waste into items that they can reuse again.

You will need to register for this - <https://tinyurl.com/kxbayshe>

## MATHS CORNER QUESTION (for students and parents)

### Question:

The price, per litre, of petrol at two different service stations is 111.4c and 94.8c. The difference in cents between the two prices is

- A. 17.4      B. 16.6      C. 17.6      D. 7.6      E. 15.6

### Previous Answer:

The rectangular area is 20m by 15m and the tiles are 20cm by 15cm. We can place the tiles 100 by 20cm sides to fit the length and 100 by 15cm to fit the width.

The number of tiles needed is then  $100 \times 100 = 10,000$ , hence the answer is C.

\* Maths corner questions have been provided courtesy of 'Australasian Problem Solving Mathematical Olympiads (APSMO) Inc' an advanced problem solving course currently being undertaken by some of our Year 7 & 8 students.

## Gloucester Show 28<sup>th</sup> & 29<sup>th</sup> October

### Fine Arts Section

### There is a class for Student Works Get your paint and pencils out

Any medium, any subject, by artist who is a school student. This is an Open Entry, not part of the Junior Section. Entry fee is \$1. All entries are to be made at the pavilion entries office at the Showground, weekdays from Monday 17<sup>th</sup> until Tuesday 25<sup>th</sup> October, between 10am until 4pm. Note: Entries in this section close on Tuesday to enable hanging on Wednesday. All works are to be delivered to the stewards between 12 noon and 1pm on Wednesday 26<sup>th</sup> October with competitor's ticket attached. All exhibits must be suitably framed with hooks and wires and be of a standard suitable to hang. Works will be hung at the discretion of the stewards. Exhibits for sale must have the price on the back of the work. Commission of 20% of marked price goes to Gloucester AH & P. All entries are to be collected and signed out on Sunday 30<sup>th</sup> October between 9am and 10am. No entries can be collected on Saturday evening.

# 2022 GLOUCESTER SHOW

## 28th OCTOBER & 29TH OCTOBER

Reptile Show, Rexie the Dinosaur, Science Displays,  
Animal Nursery, Cattle Judging, Horse Events,  
Thomas the Tank Train, Pavilion Displays,  
Billy Boiling, Rural Fire Service display,  
Camel Rides, Sideshow Alley

# Free workshops for parents and supervisors of learner drivers

## Helping learner drivers become safer drivers

Workshops run for two hours and light refreshments will be available.

You'll gain practical advice about:

- Current laws for L and P licence holders
- Supervising learner drivers
- Completing the learner driver log book
- The benefits of supervised on-road driving experience
- Low risk driving

Workshops will be held at:

**Gloucester:** 6pm, Tuesday 25 October  
MidCoast Council, Railway Street side entry

**Forster:** 6pm, Thursday 27 October  
Marine Rescue NSW, Southern Breakwall, Dolphin Drive

**Taree:** 6pm, Wednesday 2 November  
MidCoast Council, Yalawanyi Ganya, 2 Biripi Way

# HELP US PLAN OUR OUTDOOR SPACES

## FAMILY-FRIENDLY WORKSHOPS

Hello Gloucester High School

We'd like to invite you to fun family workshops to help us develop a plan for how outdoor spaces are prioritised over the next 15 years. Spaces like parks, gardens, walkways and cycleways, sports fields, playgrounds, dog parks, foreshore areas, village squares and more are being considered.

You can join one of eight workshops across the MidCoast during November. Locations include Hawks Nest/Tea Gardens, Pacific Palms, Forster, Gloucester, Taree, Bulahdelah, Harrington and Stroud.

We will be asking how you currently use outdoor spaces, and how you want to use them in the future. We will also be exploring innovative ideas to make our outdoor spaces more appealing and how to make them easier for everyone to access.

In addition to the workshops, you can contribute to the discussion online by filling in a survey or pinning your ideas to a map or virtual ideas wall.

For more information on the strategy, and to fill out the online survey [click here](#).

We started speaking with you about outdoor spaces in June and now we're continuing the conversation as we develop a draft Open Space Strategy for the MidCoast. Once we have a draft, we will ask for your feedback in early 2023.

Check out the workshop locations, dates and to register [click on the blue button below](#).

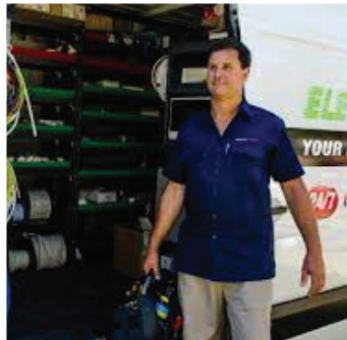

Kind regards,

MidCoast Council

**Register for a workshop**

Is your business looking for a pool of prospective employees? Would you like to promote your organisation to job seekers or school students?

▶ Thursday,  
10 November 2022

▶ 5.30pm - 8pm

▶ Gloucester Showground,  
Cattle Pavilion

▶ Registrations for business  
close 1 November

Gloucester Business Chamber & Regional Industry Education Partnerships would like to join forces with local businesses to present job and career opportunities to people within our region.

The goal is to keep talent and to attract talent to our local government area by proffering mentorships, apprenticeships and job opportunities to genuine job seekers.

The expo is open to school students and the general public.

**For more information on the expo, and discuss presentation ideas, please contact**

## APPLY NOW FOR CAMP ASPIRE 2023

THE TIME HAS COME...

**APPLICATIONS ARE NOW OPEN FOR OUR 2023 CAMP ASPIRE!**

This is a 3-day all-inclusive residential camp for Indigenous students that are in years 11 and 12 (in 2023).

Camp attendees will get a taste of our campus and meet other deadly students, making lifelong connections.

Over the 3 days campers will experience activities that allow them a taste of what their dream degree involves, meet external organisation representatives and get involved in Cultural activities.

**WHEN:** 17<sup>th</sup> – 19<sup>th</sup> January 2023

**COST:** No cost, all accommodation, transport, food etc. are included for duration of the camp

**APPLICATIONS CLOSE:** Sunday 27 November 2022 at 11:59pm

**\*\*Please take the time to make sure you express your interest to attend in detail within your online application, as places are limited, and successful applicants only will be notified on Wednesday 30 November 2022\*\***

**APPLY NOW**

**JOIN NOW**

*Australian*  
**Air League**

**NSW Group**

## **NSW GROUP IS NOW ENROLLING MEMBERS FOR OUR NEW ONLINE SQUADRON**

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

NSW Group is now running an online Squadron for those interested in joining the Air League but there is no Squadrons currently in their area. We welcome boys and girls from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to join or volunteer their time. All adult members and volunteers are Working with Children Checked.

Each week you will attend your online squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. The Online Squadron may also attend group activities.

The Australian Air League is running both a fun and educational programme that is making fine citizens out of our young Australians.

## Gloucester Soccer Complex

# WALKING FOOTBALL

**Walking Football** is a small-sided, low-impact, modified version of the game, suitable for all levels of ability and fitness, from people who are returning to the sport after a break or those who've never played before. Walking Football aims to provide participants physical and mental health benefits, social connectedness and promotes the benefits of ongoing physical activity.
